

## Table of Contents

<b>Checking for Software Updates</b>	page 1
<b>Creating a New Folder</b>	page 2-3
<b>Downloading from the Internet</b>	page 4-6
<b>PE-DESIGN Data Base</b>	page 7-23
Organizing Design Files	page 8-9
Converting Design Files	page 10-11
Displaying Preview of Design Files	page 11-12
Viewing Thumbnails of Designs	page 12
Printing a Design Data Base	page 13-14
Displaying Properties of a Design	page 14-15
Open or Importing Designs into Layout and Editing	page 15
Dragging and Dropping Designs into Layout and Editing	page 15-16
Searching for Designs	page 16-17
Creating HTML files	page 18-20
Creating CSV files	page 20-21
Writing Multiple Designs to a Card	page 21-23
<b>Section 1 Notes</b>	page 24
<b>Layout and Editing Icons</b>	page 25-26
<b>Layout and Editing Tools</b>	page 27-29
<b>Selecting System Unit</b>	page 30
<b>Importing Preprogrammed Designs from     Embroidery Cards into     Layout and Editing</b>	page 31-32
<b>Adding Text</b>	page 33-110
Adding Lettering to a Design	page 33-35
Placing Lettering on a Circle	page 36-39
Sizing the Fonts	page 40-41
Changing the Type of Stitch for a Font	page 42-45
Changing the Density in Lettering	page 46-47
Adding Under Sewing to Lettering	page 48-49
Applying Under Sewing in Expert Mode	page 50-51
Vertical Text	page 52-53

Placing Text on a Corner	page 54-57
Fitting Text to a Curved Line	page 58-63
Placing Text on the Top and Bottom of a Circle	page 64-67
Transforming Text	page 68-70
More Text Effects	page 71-78
Changing the Spacing of Lettering	page 71-73
Changing the Size of individual letters	page 73-74
Changing the Style of text for individual letters	page 74-75
Changing the Vertical Offset	page 75-77
Rotating Text	page 77-78
Using the Small Text Feature	page 79
Using True Type Fonts	page 80-95
Using True Type Fonts	page 80-81
Adding an Outline to True Type Fonts	page 81-82
Converting a True Type Font to an Outline Image	page 82-84
Setting Hole Sewing for an area with lettering on top	page 84-88
Using Wing Dings	page 88-90
Changing the Attributes of True Type Fonts	page 90
Using 2-Byte characters	page 91-95
Using User Defined Fonts	page 96-97
Using the Monogram Feature	page 98-110
Using the Monogram Feature	page 98-100
Size Parts of the Monogram	page 100-102
Modifying Decorative Patterns	page 103-105
Creating New Decorative Patterns	page 105-107
Resizing Individual Monogram Letters	page 107-110
<b>Writing Multiple Designs to a Card</b>	page 111-112

<b>Section 2 Notes</b>	page 113
<b>Introduction to File Extensions</b>	page 114
<b>Top Icons in Design Center</b>	page 115
<b>Stage Two Drawing Program Tools</b>	page 116
<b>Stage Three Left-side Toolbar</b>	page 117
<b>Stage Four Left-side Toolbar</b>	page 118
<b>Scanning a Design</b>	page 119
<b>Creating a Design</b>	page 120-143
Changing the Design Page Property in Layout and Editing	page 143
<b>Using the Different Outline Stitches in     Design Center</b>	page 144-152
<b>Setting Hole Sewing in Design Center</b>	page 153-164
<b>Importing from Design Center into Layout     And Editing, Changing Colors and     Writing the Design to Card</b>	page 165-168
<b>Changing the Design Page Size</b>	page 169-171
